§5.206 Language and wording of registration statement.

(a) Except as provided in the next sentence, each statement, amendment, exhibit, or notice required to be filed under the Act shall be submitted in the English language. (d) A response shall be made to every item on each pertinent form, unless a registrant is specifically instructed otherwise in the form. Whenever the item is inapplicable or the appropriate response to an item is "none," an ex-

[Order No. 376-67, 32 FR 6362, Apr. 22, 1967, as amended by Order No. 2674-2003, 68 FR 33630, June 5, 2003]

§5.207 Incorporation by reference.

(a) Each initial, supplemental, and final statement shall be complete in and of itself. Incorporation of information by reference to statements previously filed is not permissible.

(b) Whenever insufficient space is provided for response to any item in a form, reference shall be made in such space to a full insert page or pages on which the item number and inquiry shall be restated and a complete answer given. Inserts and riders of less than full page size should not be used.

§5.208 Disclosure of foreign principals.

A registrant who represents more than one foreign principal is required to list in the statements he files under the Act only those foreign principals for whom he is not entitled to claim exemption under section 3 of the Act.

§5.209 Information relating to employees.

A registrant shall list in the statements he files under the Act only those employees whose duties require them to engage directly in activities in furtherance of the interests of the foreign principal.

§5.210 Amount of detail required in information relating to registrant's activities and expenditures.

A statement is "detailed" within the meaning of clauses 6 and 8 of section 2 (a) of the Act when it has that degree of specificity necessary to permit meaningful public evaluation of each of the significant steps taken by a registrant to achieve the purposes of the agency relation.

§5.211 Sixty-day period to be covered in initial statement.

The 60-day period referred to in clauses 5, 7, and 8 of section 2(a) of the Act shall be measured from the time that a registrant has incurred an obligation to register and not from the time that he files his initial statement.
